Sec. 16. PUBLIC HEALTH; VITAL STATISTICS: It shall be the duty of the State Department of Public Health, in addition to other duties provided by law, to secure and maintain in all parts of the state an efficient registration of birth and deaths and official record and a notification of reportable diseases; to provide popular literature upon the different branches of public health and distribute the same free throughout the state in a manner best calculated to promote that interest; to prepare and exhibit in the different communities of the state public health demonstration, accompanied by lectures and moving pictures and in all other effective ways to prevent the origin and spread of diseases and promote the general public health.

Sec. 17. SALARIES AND EXPENSES: The following schedule of personal salaries and expenses is hereby established as a minimum equipment for the State Department of Health for the ensuing biennium and for future bienniums:

One state health officer at not less than $3,000 per annum. One epidemiologist at not less than $2,500 per annum. One sanitary engineer at not less than $2,000 per annum. One bacteriologist at not less than $2,400 per annum. One statistician at not less than $1,200 per annum. One laboratory attendant at not less than $840 per annum. Four clerks and stenographers at not less than $3,300 per annum. Maintenance of health department, including traveling expenses, laboratory expenses, printing, etc., at not less than $10,000 per annum. Total, $25,000.

Sec. 18. ACCOUNTS: The State Department of Health shall keep an accurate account of all its expenses of whatever nature in such form as to show the cost of maintaining any bureau, office, activity, or item upon brief examination.

Sec. 19. TERMS AND NAMES: Wherever the term of "state board of health" is used in Nebraska statutes it shall be construed to mean the State Department of Health, wherever it reads "medical examination board" it shall be construed to mean advisory board of secretaries.

Sec. 20. That sections 2710, 2711, 2712, 2713, 2714, 2715, 2716, 2739, 2741, 2742, 2850, 2851, 2852 and 2853, Revised Statutes of Nebraska for 1913, are hereby repealed.

KEY TO SPECIALTIES

A SYMBOL DESIGNATING SPECIALTY IS ENTERED ON REQUEST WHENEVER THE PHYSICIAN IS A MEMBER (1) OF A CONSTITUENT STATE ASSOCIATION, (2) OF A SPECIAL SOCIETY OF WHICH THE MEMBERSHIP IS LISTED IN THE DIRECTORY, OR (3) IS A TEACHER IN A MEDICAL SCHOOL CLASSED "A" OR "B" IN THE RATING OF THE COUNCIL ON MEDICAL EDUCATION AND HOSPITALS. SPECIALTIES ARE INDICATED AS FOLLOWS:

S—Surgery.
Ob—Obstetrics.
G—Gynecology.
ObG—Obstetrics and Gynecology.
Or—Orthopedic Surgery.
Pr—Proctology.
Oph—Ophthalmology.
LR—Laryngology, Rhinology.
ALR—Otology, Laryngology, Rhinology.
OALR—Ophthalmology, Otology, Laryngology, Rhinology.
U—Urology.
D—Dermatology.
Pd—Pediatrics.
N—Neurology.
P—Psychiatry.
NP—Neurology and Psychiatry.
I★—Internal Medicine.
T—Tuberculosis.
Anes—Anesthesia.
CP—Clinical Pathology.
R—Roentgenology.
Path—Pathology.
Bact—Bacteriology.
PH★—Public Health.

WHEN THE ABBREVIATION DESIGNATING A SPECIALTY IS FOLLOWED BY AN ASTERISK (★) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WTHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.

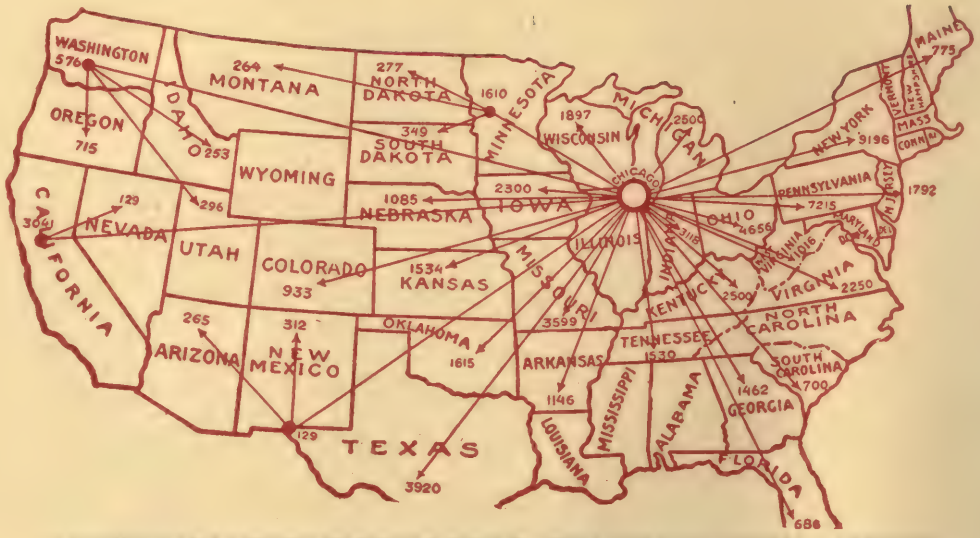
Green Gables

THE DR. BENJAMIN F. BAILEY SANATORIUM

LINCOLN, NEBRASKA

The executive building devoted entirely to the treatment of general non-mental diseases.

Rest Cottage is located in a widely separate part of the grounds built for and devoted to the treatment of such selected mental cases as need for a time, a watchful personal supervision and treatment.



The buildings are situated in their own beautiful grounds of 25 acres with tennis court, croquet grounds, pleasant walks and quiet country surroundings.

Successful Advertisers Use

the

Twenty-Eight Official State Medical Journals

and thereby localize their advertising in those states where they already have salesmen or distribution, or where concentrated sales effort is needed to secure distribution and make easier the salesmen's work.

FIGURES ON MAP INDICATE SWORN CIRCULATION OF EACH JOURNAL. ARROWS POINT TO THE STATES OR STATE EACH STATE JOURNAL REPRESENTS

Advertising in all or any of the twenty-eight state medical journals may be placed direct through the Co-operative Medical Advertising Bureau. One order, one set of instructions will cover the entire list.

Firms interested in doing definite, concentrated advertising without duplication of circulation are invited to take up with us their problems. Address all inquiries to

MEDICAL PRACTICE LAW OF NEVADA

An Act

Regulating the Practice of Medicine, Surgery and Obstetrics in the State of Nevada; providing for the appointment of a State Board of Medical Examiners and defining their duties; providing for the issuing of licenses to practice medicine; defining the practice of medicine; defining certain misdemeanors and providing penalties, and repealing all other acts, or parts of acts, in conflict therewith.

[Approved March 4, 1905.]

The people of the state of Nevada, represented in senate and assembly, do enact as follows:

Section 1. LICENSE: That it shall hereafter be unlawful for any person or persons to practice medicine or obstetrics in this state without first obtaining a license so to do as hereinafter provided.

Sec. 2. BOARD OF EXAMINERS; APPOINTMENT; TERM: Within thirty days after this law goes into effect it shall be the duty of the governor of the state of Nevada to appoint a state board consisting of five members, which shall be known as the Board of Medical Examiners of the state of Nevada, and shall be reputable practicing physicians, duly licensed as such by some legally chartered medical institution in the United States, and who shall have been actually engaged in the practice of medicine in the state of Nevada, three of whom shall be selected from the school of medicine known as the regular, one from the school known as the eclectic, and one from the school known as the homeopathic. This board shall be selected without regard to their individual political beliefs, and they shall hold office for the time for which they were appointed, viz., two for four years, one for three years, one for two years, and one for one year; from the date of their appointment, and shall serve until their successors are appointed and qualified. Hereafter one member shall be appointed annually for the term of four years. In the event of a vacancy occurring in said board, or absence from the state for a period of six months without permission, the governor shall appoint a person duly qualified under this Act to fill the unexpired term.

Sec. 3. OATH: Each member of said board shall, before entering on the duties of his office, take the constitutional oath of office, and shall, in addition, make oath that he is a graduate in medicine and a legally qualified practitioner of medicine in this state.

Sec. 4. ORGANIZATION; MEETINGS: The said board shall meet in Carson City, Nevada, on the first Monday in May, 1905, and shall organize by electing from its number a president, vice-president, secretary and treasurer, who shall hold their respective positions during the pleasure of the board. Said board shall hold its regular meetings on the first Monday of May and the first Monday of November of each year, at such time and place as shall be most convenient to said board, and due notice of all special meetings of the board shall be given by publication twice a week for each of the two weeks next preceding such meeting in three papers published in the state of Nevada. Special meetings of the board may be held at the call of the president, and the same notice thereof shall be given as in the case of regular meetings.

Sec. 5. RULES: Said board may from time to time, adopt such rules as may be necessary to enable it to carry into effect the provisions of this Act. Any member of said board may administer oaths in all matters pertaining to the duties of said board, and the board shall have the authority to take evidence as to any matter cognizable by it. Such board shall procure a seal, and shall receive through its secretary applications for the certificates provided to be issued under this act.

Sec. 6. QUORUM; RECIPROCITY: A majority of said board shall constitute a quorum to transact all business. All certificates issued by said board shall bear its seal and the signatures of its president and secretary, and shall authorize the person to whom it is issued to practice medicine in all branches in this state, on complying with the requirements of this Act. Said board may, in its discretion, accept and register, on payment of the registration fee, and without examination of the applicant, any certificate which shall have been issued to him by the Medical Examining Board of the District of Columbia or of any state or territory of the United States; provided, however, that the legal requiremnts of such medical examining board shall have been at the time of issuing such certificates in no degree or particular less than those of Nevada at the time when such certificate shall be presented for registration to the board created by this Act; and provided, further, that the provisions in this paragraph contained shall be held to apply only to such of said medical examining boards as accept and register the certificate granted by this board without examination by them of the ones holding such certificates.

Sec. 7. CERTIFICATE; AFFIDAVITS: After the law goes into effect any person desiring to practice medicine, surgery or obstetrics or any of the various branches of medicine in this state shall, before beginning to practice, procure from the State Board of Medical Examiners a certificate that such person is entitled to practice medicine, surgery or obstetrics in this state. In order to procure such certificate the applicant shall submit to the said board his or her diploma, issued by some legally chartered medical school, the requirements of which medical school shall have been at the time of granting such diploma in no particular less than those prescribed by the Association of American Medical Colleges for that year, and he must accompany said diploma or license with an affidavit setting forth the number and duration of terms the applicant was required to be in attendance, and that he is the lawful possessor of the same, that he is the person therein named, and that the diploma or license was procured without fraud or misrepresentation of any kind. Such application shall be accompanied by the affidavit of two freeholders, resident of the same county in which the applicant resides, stating that the applicant is the indentical person named in the accompanying diploma, and that he or she is of good moral standing and reputable. In addition to such affidavit said board may hear such further evidence as, in its discretion, it may deem proper as to any of the matters embraced in said affidavit. If it should appear from such evidence that said affidavit is untrue in any particular, or if it should appear that the applicant is not of good moral character, the application must be rejected. Said board shall retain such diploma such time as is necessary, but in no case shall said board retain such diploma to exceed two weeks. All such diplomas and affidavits shall be addressed to the secretary of the board.

Sec. 8. APPLICATIONS FOR LICENSES: Applicants for certificates to practice medicine, surgery or obstetrics in the state of Nevada shall be required to present a diploma from a legally recognized college, and to pass a satisfactory examination before the State Board of Medical Examiners as to his or her qualifications. The applicant must appear personally before the board, and the examination shall be conducted in the English language and shall be, in whole or in part in writing, and in each branch shall obtain 75 per cent., and shall be on the following subjects, to wit: Anatomy, physiology, materia medica and therapeutics, chemistry, bacteriology, pathology, toxicology, obstetrics, surgery, general medicine, diseases of the skin, eye, ear, nose, throat, brain, genito-urinary system. Said examination shall be fair and impartial and the questions of such character as will determine the fitness of the applicant to practice his or her profession. When applicant applies for examination in materia medica and therapeutics and theory and practice of medicine, he shall designate in which school of medicine he desires to practice, and only the member or members of the board who belong to the school so designated shall participate in this part of the examination.

Examinations shall be practical in character, and designed to discover the applicant's fitness to practice medicine and surgery. If an applicant fail in his first examination, he may, after not less than six months, be reexamined, without additional fee. If he fail in a second examination, he shall not thereafter be entitled to another examination in less than one year after the date of second examination, and shall be required to pay for such examination the full fee. The examination papers shall form a part of the records of said board, and said records shall be open to public inspection whenever required after the examination; provided that any person who is a regular graduate from a regularly chartered college of the practice of the system of what is generally known and recognized as the drugless system, may present themselves for examination under the regulations hereinbefore specified, and shall be required to pass an examination in all the subjects noted, with the exception of materia medica and therapeutics, and upon the passing satisfactorily of said examination by the board, shall have issued to them a license to practice the said system or drugless medicine in this state, under the same rules and regulations prescribed and required of the practitioners of other systems of medicine.

Each applicant, on making application, shall pay to the secretary of the board a fee of twenty-five dollars ($25) at the same time the diploma and affidavit is filed with him, and this fee shall not be returned in the event of the applicant's failing to pass a satisfactory examination. Any person who may hereafter be granted a license to practice medicine and surgery in this state under this Act, upon the grounds of reciprocity with other states and without examination, shall pay a fee of twenty-five dollars ($25) for such license.

Sec. 9. APPEAL: Any unsuccessful applicant shall have the right to appeal to the courts, requiring the said board to show cause why such applicant should not be permitted to practice medicine, surgery or obstetrics in the state of Nevada.

Sec. 10. RECORD OF CERTIFICATE: Said Board shall procure a book for the purpose of recording the names of all persons to whom it issued certificates. In this book shall be entered the names of the applicants, together with the name of the school granting the diploma, the date of the diploma, the number of terms the applicant attended school, residence of applicant, and the date of issuance of certificate. This book shall be retained by the secretary, who shall note the unsuccessful applicants, furnishing the same information as is given above. The secretary shall furnish each county clerk in this state a complete list of persons to whom certificates have been issued, after each meeting of the board. Such list shall be retained and filed by the county clerk, and it shall show the name, age and location of the holder of each certificate, together with the name of the institution conferring the degree and the date of the issuance of certificate.

Sec. 11. EXPENSES OF BOARD: The members of the board shall serve without compensation, except that their actual expenses incurred while attending a regular or special meeting of the board shall be refunded; provided, that the secretary shall receive a semi-annual salary of one hundred fifty dollars ($150) for his services. All moneys received by the board shall be paid out on its order for its expenses and the traveling expenses of the members, and if the moneys received are not sufficient to meet such expenses then the board shall certify to the Board of Examiners, with accompanying vouchers, over its seal and the signatures of its president and secretary, the amount actually necessary to meet the remainder of its expenses, and on the approval of said claim by the Board of Examiners the state controller shall draw his warrant on any moneys in the general fund not otherwise appropriated and the state treasurer shall pay the same.

Sec. 12. RECORDING OF CERTIFICATE; REFUSAL; REVOCATION: Every person to whom the board shall issue a certificate shall present the same to the county recorder of the county in which he desires to practice and have the same recorded, and shall pay the fee usually paid for recording such papers. The board may refuse a certificate to any applicant guilty of unprofessional conduct, and may revoke any certificate for a like cause, in all cases of refusal or revocation the party aggrieved may appeal to the courts. The words "unprofessional conduct," as used in this Act, are hereby declared to mean:

First: The procuring or aiding or abetting in procuring a criminal abortion.

Second: The obtaining of any fee on the assurance that a manifestly incurable disease can be permanently cured.

Third: The wilfully betraying a professional secret.

Fourth: All advertising of medical business in which grossly improbable statements are made.

Fifth: All advertisements of any medicines, or of any means whereby the monthly periods of women can be regulated, or the menses reestablished if suppressed.

Sixth: Conviction of any offense involving moral turpitude.

Seventh: Habitual intemperance.

Sec. 13. PRACTICE OF MEDICINE DEFINED: For the purpose of this Act the words "practice of medicine, surgery and obstetrics" shall mean to open an office for such purpose, or to announce to the public or to any individual in any way a desire or willingness or readiness to treat the sick or afflicted in any county in the state of Nevada, or to investigate or diagnosticate or to offer to investigate or diagnosticate any physical or mental ailment or disease of any person, or to give surgical assistance or to suggest, recommend, prescribe or direct for the use of any person any drug, medicine, appliance or other agency, whether material or not material, for the cure, relief or palliation of any ailment or disease of the mind or body, or for the cure of relief of any wound, fracture or bodily injury or deformity, after having received, or with the intent of receiving therefor, either directly or indirectly, any money, gift or any other form of compensation.

It shall also be regarded as practicing medicine within the meaning of this Act if any one shall use in connection with his or her name the words or letters, "Dr.," "Doctor," "Professor," "M.D.," or "Healer," or any other title, word, letter or other designation intended to imply or designate him or her as a practitioner of medicine or surgery or obstetrics in any of its branches; provided, that nothing in this Act shall be construed to prohibit gratuitous services of druggists or other persons in cases of emergency, or the domestic administration of family remedies, and this Act shall not apply to commissioned surgeons of the United States Army or Navy in the discharge of their official duties, nor shall it apply to professional or other nurses in the discharge of their duties as nurses, nor to physicians who are called into this state for consultation and who are legally qualified to practice in the state where he or she resides. In charging any person in an affidavit, information or indictment with a violation of this Act by practicing medicine, surgery or obstetrics without a license, it shall be sufficient to charge that he or she did, on a certain day, and in a certain county of this state, engage in the practice of medicine, he or she not having a license to do so, without averring any further or more particular facts concerning the same.

Sec. 14. VIOLATION; PENALTIES: Any person who shall practice medicine, surgery or obstetrics in this state without first complying with the provisions of this Act shall be deemed guilty of a misdemeanor, and on conviction thereof shall be punished by a fine of not less than one hundred dollars ($100) nor more than two hundred dollars ($200), or by imprisonment in the county jail for not less than fifty (50) days nor more than one hundred eighty (180) days, or by both such fine and imprisonment, for each and every such offense. Any person may institute proceedings at law provided for in this Act.

Sec. 15. FALSE CLAIMS; PUNISHMENT: Every person filing for record, or attempting to file for record, the certificate issued to another, falsely claiming himself to be the person entitled to the same, shall be guilty of felony, and, on conviction thereof, shall be punished by imprisonment in the state prison not less than one year nor exceeding five years.

Sec. 16. FALSE CLAIM TO BOARD MEMBERSHIP; PENALTY: Any person assuming to act as a member of a State Board of Medical Examiners, or who shall sign or subscribe or issue or cause to be issued or seal or cause to be sealed, a certificate authorizing any person to practice medicine or surgery in this state, except the person so acting and doing shall have been appointed a member of said Board of Medical Examiners as in this Act provided, shall be guilty of a misdemeanor, and shall be punished by a fine of not less than one hundred dollars ($100) nor more than five hundred dollars ($500), or by imprisonment in the county jail for a term of not less than sixty (60) days nor more than one hundred eighty (180) days, or by both such fine and imprisonment.

Sec. 17. FEES; RECIPROCITY: Every person practicing medicine, surgery or obstetrics in the state of Nevada on the first Monday of May, 1905, shall submit to the said board his or her diploma for registration, and a fee of twenty-five dollars ($25) shall accompany such diploma; provided, that the owner of such diploma shall, if he or she was practicing medicine, surgery or obstetrics prior to the passage of the act approved March 15, 1899, and has not complied with said act of March 15, 1899, pay a fee of five dollars ($5) for such registration, but such person shall submit to the board said diploma on the first Monday of May, 1905; provided, further, that all persons who have complied with the act of March 15, 1899, shall be entitled to full registration by the said Board of Medical Examiners, and nothing in this Act shall be construed to prevent such registration, and the secretary of said board shall enter free of all charge on a record book of said board the names of all persons who have complied with the act of March 15, 1899. And be it further provided, that a certificate of registration or license issued by the proper examining board of any state, which agrees on reciprocal registration with this state, may be accepted as evidence of qualification for reciprocal registration in this state; provided, that the holder of such certificate was at the time of such registration the legal possessor of a diploma issued by a medical college in good standing in this state, and that the date thereof was prior to the passage of this Act.

KEY TO ABBREVIATIONS, SYMBOLS, ETC.

Names in CAPITALS signify membership in the American Medical Association through membership in constituent state and component county organizations (DOE, JOHN).

(H), (E), (P-M) Indicate, respectively, homeopath, eclectic, physio-medic.

b'75 Indicates year of birth.

Md.7,'09, college and year of graduation. For Medical College Key Table see inside front cover pages.

l'89 Indicates year of license in state where located.

⊕ Indicates Fellowship in the American Med. Assn. (DOE, JOHN ⊕). Commissioned medical officers of the Federal Government, while on active service, are Fellows of the American Medical Association.

A1,3, B6, C4 Membership in special societies. (See Key Table, page 7.)

U.S.A. United States Army.

U.S.N. United States Navy.

U.S.P.H.S. United States Public Health Service.

College positions held are indicated by abbreviated title of position followed by key number of college.

◊ Information received does not show graduation from a medical college.

△ Graduates of institutions not listed as medical colleges by the Council on Medical Education and Hospitals of the American Medical Association.

l† Licensed in state where located but year not known.

(‡) Information received does not show license in state where located.

(♁) In practice in state where located before passage of present law and licensed by filing diploma or by years of practice.

CHARLES B. TOWNS HOSPITAL

For Definite Eliminative Treatment and Scientific Physical Reconditioning of All Types of Toxemia Patients

The Towns Hospital is an institution which specializes in clearing up cases wherein there has been a gradual accumulation of toxins with resultant impairment of health or physical or mental function.

These cases include sufferers from narcotism, alcoholism, patent medicines, including with these latter a large and growing proprietary group of "hypnotics," and tobacco as well as from the self-engendered poisons which come from under-oxidation, dietetic errors, mal-assimilation, etc.

In addition to providing a definite and recognized medical treatment for the rapid elimination of toxins, this Hospital offers to its patients every facility for physical reconstruction.

The Hydro and Electro Therapeutic departments are, in equipment, second to none. For physical training a special full time instructor is provided. The Hospital has a completely equipped gymnasium. Immediately across the street is the whole area of Central Park with its inexhaustible facilities for outdoor recreations. These advantages, together with the wonderful diversity of interests to be found in New York City, are most valuable factors in giving patients a new mental viewpoint.

All charges for treatment are definitely fixed in advance and cover every service that the Hospital can render. There are no extras—no special items of expense.

The Hospital has available a number of medical reprints and literature on the subject of addictions, toxemias, etc. List sent on request. Correspondence or personal calls by physicians cordially invited.

CHARLES B. TOWNS HOSPITAL
293 Central Park West
New York City

Do You Know What The Life Extension Institute Is Doing?

Thousands of people saved annually from health pirates, patent medicines, quacks, semi-quacks and "get-well-quick" fakes! Is it good work? Yes? Then thank the Life Extension Institute and co-operate with it.

Doctor, do you know exactly what the Life Extension Institute is doing? Let us tell you. It is examining from 3,000 to 5,000 people monthly and advising more than half of this number to have some form of medical, surgical or dental treatment as well as counseling them with regard to their personal hygiene or how to live.

It is warning such people against neglect and against the manifold forms of medical fakes, physical culture fakes and alleged short cuts to health which constitute the greatest obstruction to real progress in sound scientific health culture.

It is urging upon the medical profession high standards of physical diagnosis, of life scrutiny, so that seekers after health may receive more guidance from trained physicians and less from ignorant potterers in this neglected field of personal hygiene.

It is advocating periodic, thorough physical examinations by physicians or other scientific agencies so that medical and hygienic guidance may be based upon accurate knowledge of the life and body of the individual.

Fundamental Methods

The Institute is doing this work in several ways—

1. By inviting the public to subscribe for membership in the Life Extension Institute, such membership covering the privilege of a physical examination, report and counsel as to hygiene or needed medical treatment, also health education literature issued by the Institute.
2. By arranging with life insurance companies for the periodic examination of their policy-holders in order to prolong their lives and reduce the death rate.
3. By arranging with employers of labor to extend the benefits of membership to employes.

The results of more than seven years of labor in this field are startling. Every individual examined is found to some extent impaired. All are in need of hygienic counsel and more than half are in need of actual medical, surgical or dental attention.

The Institute Invites the Co-operation of the Profession in the Following Ways:

1. By interested and cordial attention to members who seek advice at the instance of the Institute. There is always something to be done even if one does not concur in the Institute's interpretation of the member's needs. Convey to him all possible courage and self-confidence but do not discourage him in his efforts to correct slight disabilities or to improve his living habits. Forecast the future of such a subject and assist him in combating physical decay. Confirm his enthusiasm for right living.
2. Physicians who are equipped to make a thorough all-round survey of the human body (and all well trained, competent physicians should be so equipped) are invited to register with the Life Extension Institute. With a force of 7,000 physicians our needs are covered in many localities, but we shall be pleased to add other physicians who are interested in this work, not merely for the fees allowed, but for its public benefits and its influence in bringing together the public and scientific medicine.

A Self-Supporting Public Service Institution

After seven years of existence the Institute has become what it was designed to be by its founders—a self-supporting public service institution. Under its charter two-thirds of its profits beyond 5% on the capital invested are devoted to public health work. As a matter of fact a great deal of public health work and health propaganda has already been carried on by the Institute, although no dividends have been paid to date.

The Institute is advertising in the lay press for members. It is using these public announcements to denounce the "get-well-quick" fakes and the many forms of error or neglect that keep people from contact with scientific medicine. The Institute's reports are available to the family physician or to the specialist as aids in his diagnosis.

The Institute's function is primarily to protect the individual from neglect, to act as guide, philosopher and friend in the matter of his hygiene and in suggesting such medical treatment as he may require. As the Institute renders no treatment, performs no operations, its counsel is wholly in the interest of scientific physicians equipped to serve him.

"How To Live"

The Institute's book "How to Life," by Fisher and Fisk, has passed through fifteen editions covering more than 100,000 volumes. It has been translated into most foreign languages, including Chinese and Japanese. It is a text-book in a number of schools and colleges and sets forth the principles of hygiene advocated by the Institute and its Hygiene Reference Board. Physicians desiring this book can procure it at a discount (the list price is $1.62 postpaid) by applying to the Institute and referring to this advertisement.

The royalties do not go to the authors but are wholly devoted to public health work. People who read this book are mentally inoculated against quackery and pseudo-science.

The Hygiene Reference Board of about 100 leading men in medicine and public health stand behind the scientific policy of the Institute. These men serve without compensation.

X-Ray Department and Pathological Laboratory

In order properly to analyze the immense volume of material that passes through the Head Office of the Institute a completely equipped clinical laboratory and X-ray department have been developed. Thorough scientific supervision of this work and the latest and best apparatus render these laboratories important aids to physicians in New York and vicinity. The Institute is prepared to give the best type of laboratory and X-ray service to physicians at the lowest cost compatible with accurate scientific work.

Physicians and public health workers are cordially invited to visit the Institute and freely inspect its methods and equipment or write for information desired.

MEDICAL PRACTICE LAW OF NEW HAMPSHIRE

An Act providing for the practice of medicine.

Be it enacted by the senate and house of representatives in general court convened:

Section 1. DEFINITION: Any person shall be regarded as practicing medicine under the meaning of this Act who shall operate on, prescribe for, or otherwise treat any human ailment, physical or mental.

Sec. 2. BOARD OF EXAMINERS: There shall be a Board of Examiners consisting of five persons, qualified as provided in the following section, whose duty it shall be to examine, register and license applicants whom they find to be 21 years of age or over, of good moral character, and qualified as herein provided to practice medicine. They shall perform such other duties for the state as are assigned to them by this Act.

Sec. 3. QUALIFICATIONS OF MEMBERS AND TENURE OF OFFICE: The members of said board shall be residents of this state, shall have been regularly licensed to practice medicine under the existing laws in this state, and shall have been actively engaged in the practice of their profession within the state for at least five years. The first appointments to the board shall be so made that the term of office of one member shall expire at the end of each successive year from and after the date when this Act takes effect. Subsequent appointments, except to fill vacancies, shall be for the term of five years, and appointments to fill vacancies shall be for the unexpired term of the member retiring. Appointees shall hold office until their successors are appointed and qualified.

Sec. 4. APPOINTMENT OF FIRST BOARD. Said board shall be appointed by the governor, with the advice and consent of the council, not later than sixty days after the passage of this Act. The governor and council may remove any member of the board for misconduct, incapacity, neglect of duty, or other sufficient cause.

Sec. 5. OATH OF OFFICE; ANNUAL ORGANIZATION: The members of the board before entering upon their duties shall take the oath of office prescribed for public officers and file certificates thereof with the secretary of state. Their first meeting shall be called by the member having the longest term of office, by mailing a notice of the meeting to each member at least fifteen days before such meeting. Meetings shall be held annually thereafter and as much oftener as the business requires. At the first and each annual meeting a president and secretary shall be chosen from the membership of the board, whose duties respectively shall be those usually pertaining to such offices. A true record of all their official acts shall be made and preserved by the secretary. Three members shall constitute a quorum for the transaction of business.

Sec. 6. EXAMINATIONS: Examinations shall be held in Concord at least twice a year for the accommodation of persons desiring to enter the practice of medicine in this state. The examination shall take place under the supervision of the secretary of the board and shall be given in the English language, but shall otherwise be conducted according to such rules as the board shall prescribe.

Sec. 7. QUALIFICATIONS OF APPLICANTS: The board shall admit to examination any applicant who pays a fee of twenty dollars ($20) and submits satisfactory evidence in writing, verified by oath if required, that he

(1) Is more than 21 years of age.

(2) Is of good moral character.

(3) Preliminary Education. Has satisfactorily completed a full course in a registered academy or high school, if application is made prior to 1919. Graduates of medicine before 1915 shall be registered on passing the herein prescribed examination. Applicants in 1919 and thereafter must have completed satisfactorily two years' work in a registered college, or must have a preliminary education considered and accepted by the board as fully equivalent.

(4) Medical Education. Has studied the treatment of human ailments not less than four school years of not less than nine months each, in a medical school registered as maintaining at that time a standard satisfactory to the board, and has graduated from such school.

Sec. 8. EXAMINATION QUESTIONS: For each examination the board shall seasonably prepare suitable questions for thoroughly testing the knowledge of the applicants in the following subjects: (1) Anatomy; (2) physiology; (3) hygiene and preventive medicine; (4) practice of surgery and clinical medicine; (5) obstetrics and gynecology; (6) pathology and bacteriology; (7) chemistry and toxicology.

Sec. 9. QUESTIONS PRINTED: The board shall cause the questions to be printed where necessary and shall submit them to the applicants and receive their answers according to rules prescribed by the board.

Sec. 10. ISSUING OF LICENSE: The board shall decide as to the qualifications of the several applicants as soon as possible after the examinations, and shall issue to each succesful candidate a license signed by the president and secretary of the board, setting forth the fact that the licensee is authorized to engage in the practice of medicine. The licenses shall be numbered and recorded in a book provided for the purpose.

Sec. 11. SUBSEQUENT EXAMINATIONS: Applicants who fail in satisfying the board of their qualifications at their first examination may take one subsequent examination without additional fee; but they shall pay a fee of twenty dollars ($20) for each subsequent examination after the second.

Sec. 12. RECIPROCITY: The board may register and license any applicant therefor who is legally qualified to treat human ailments or practice medicine in any state or dependency whose requirements the board deems equal to those in New Hampshire, upon the payment of a fee of twenty dollars ($20).

Sec. 13: REVOCATION OF LICENSE; The board may revoke the license of any licensee who has obtained it by false or fraudulent means, or who has been convicted of a crime punishable by imprisonment in the state prison, or whose moral character or personal habits have become or are such as to unfit him for the practice of medicine; provided, that before so doing they shall give the licensee an opportunity to be heard by giving him reasonable notice of the proceeding, the cause alleged against him, and the time and place of the hearing thereon. They shall notify the licensee thereof, and if the decision upon the charges be against the licensee, the board shall revoke his license.

Sec. 14. EXPENSES OF BOARD: The board shall be self-supporting. Members shall be reimbursed for expenses incurred in connection with the work of the board, and the secretary shall receive for his services such compensation as the whole board shall determine. The board shall keep a full and true record of all fees received and all sums actually paid for expenses, and at the end of each year shall account to the governor and council.

Sec. 15. RECORDS; BIENNIAL REPORT: The records of the board shall be deemed to be public records and shall be open to inspection at all reasonable times. The board shall make a report to the governor and council thirty days before each biennial session of the legislature, giving the names of all persons registered under this act and preceding acts of the legislature, who are supposed to be living, specifying which ones have been registered and licensed since the next preceding report, and also giving the names of licensees whose licenses have been revoked since the last report. They shall also report in detail as to the money received and paid out by the board during the preceding two years.

Sec. 16. PENALTIES FOR UNLICENSED PRACTICE: Whoever, not being registered and licensed according to the law of this state, shall advertise himself as practicing medicine, or practice medicine, according to the meaning of this Act, or in any way hold himself out as qualified so to do, or whoever does any of said acts after receiving notice that his license has been revoked, shall be punished for the first offense by a fine not exceeding one hundred dollars ($100), or by imprisonment in the county jail not exceeding three (3) months, and for any subsequent offense by a fine not exceeding two hundred and fifty dollars ($250), or by imprisonment not exceeding six (6) months, or both.

Sec. 17. EXEMPTIONS: This Act shall not be construed to affect any one while actually serving on the resident medical staff of any legally incorporated hospital; or any legally qualified physicians in other states or countries meeting regularly registered physicians in this state in consultation; or any physician residing on the border of a neighboring state and duly authorized under the laws thereof to practice medicine therein, whose practice extends into this state and who does not open an office or appoint a place to meet patients or to receive calls within this state; or regular or family physicians of persons not residents of this state, when called to attend them during a temporary stay in this state, provided such family physicians are legally registered in some state; or chiropody, or simple treatments such as massage or baths; or nurses in their legitimate occupations; or cases of emergency; or the administration of ordinary household remedies; or the advertising or sale of patent medicines. Provided, however, that this Act shall not be construed so as to interfere in any way with the practice of those who endeavor to prevent or cure disease or suffering by spiritual means or prayer. Nothing in this Act shall be so construed as to abridge the rights of any class of persons to whom authority is given by any other statute to perform any acts which might be deemed the practice of medicine.

Sec. 18. PHYSICIANS ALREADY LICENSED: Nothing in this Act shall be construed so as to affect the legal standing of practitioners of medicine and surgery who shall be duly registered and licensed under the laws of this state in force at the time this Act shall take effect.

Sec. 19. OSTEOPATHY: Any person who shall have been actively engaged in the practice of osteopathy in New Hampshire prior to the first day of January, 1915, and who shall present to the board satisfactory evidence that he is 21 years of age and of good moral character, and holds a diploma from a regularly conducted school or college of osteopathy within the United States which at the time of his graduation required a course of study of twenty months or longer, including the subjects of anatomy, physiology, hygiene, pathology, chemistry, gynecology, diagnosis, and theory and practice of osteopathy with an actual attendance of not less than twenty months, which fact shall be confirmed by affidavit, shall upon application on blank furnished by said board, signed and sworn to by said applicant, and payment of a fee of ten dollars ($10), be registered, and a certificate in testimony thereof shall be given him signed by the president and secretary of the board; provided such application shall be made on or before the thirty-first day of July, 1915, after which date all registration under the aforesaid conditions shall cease. Persons registered hereunder shall be considered as exercising the privileges of duly registered physicians under a special license, but they shall not be granted the right to prescribe or administer drugs for internal use, nor to perform major operations in surgery. Any person registered under this section who shall violate its provisions shall be subject to the penalties imposed upon unlicensed practitioners.

Sec. 20. CHANGE TO FULL LICENSE: Any person who complies with the requirements of the preceding section shall be admitted to any future regular examination by the board for full license upon the payment of an additional fee of ten dollars ($10), and shall be required to take examinations only in surgery and clinical medicine; and it is further provided that any person who is graduated previous to July, 1915, from a regular osteopathic school requiring a full three-year course, shall be admitted to the examination upon the payment of the stipulated fee.

Sec. 21. TRANSFER OF PREVIOUS RECORDS: The records of the regent of the board of examiners in office at the time this Act takes effect, together with all papers filed by him as regent, shall be turned over by him to the board created by this Act, to be thereafter held by such board and treated as a part of its records and files; and all duties assumed by or imposed on the regent of the board shall devolve upon the secretary of the board under this Act.

Sec. 22. PROCEDURE REGARDING VIOLATIONS: All charges as to violations of the provisions of this Act shall be made in writing to the Board of Examiners, whose duty it shall be, upon investigation, to make a written complaint to the attorney general and the solicitors of the several counties, or such officers as are entrusted with the enforcement of the law. Upon receipt of such complaint, it shall be the duty of the attorney general and the solicitors of the several counties and aforesaid officers to prosecute such violation of the provisions of this Act.

Sec. 23. CONFLICTING LAWS REPEALED; REGISTRATION OF NURSES: Chapter 63, Laws of 1897 and all other acts and parts of acts inconsistent with this Act are hereby repealed and this Act shall take effect upon its passage. Provided, however, that after the passage of this Act the superintendent of public instruction shall be substituted for the regent of the state boards of medical examiners provided by Chapter 50, Laws of 1907, relating to the registration of nurses, and he shall thenceforth possess all the powers and duties and be subject to all the obligations heretofore imposed upon said regent by the provisions of said act.

Approved April 21, 1915.

STATE BOARD OF HEALTH

John H. Bartlett, Portsmouth, Governor; Robert Fletcher, C.E., President, Hanover; Geo. C. Wilkins, Manchester; D. E. Sullivan, Concord; Mr. Oscar L. Young, Laconia; Sibley G. Morrill, Concord.

FOR KEY TO SPECIALTIES, ABBREVIATIONS, SYMBOLS, ETC., SEE PAGES 6 AND 7; SPECIAL SOCIETIES, SEE PAGE 78

KEY TO SPECIALTIES

A SYMBOL DESIGNATING SPECIALTY IS ENTERED ON REQUEST WHENEVER THE PHYSICIAN IS A MEMBER (1) OF A CONSTITUENT STATE ASSOCIATION, (2) OF A SPECIAL SOCIETY OF WHICH THE MEMBERSHIP IS LISTED IN THE DIRECTORY, OR (3) IS A TEACHER IN A MEDICAL SCHOOL CLASSED "A" OR "B" IN THE RATING OF THE COUNCIL ON MEDICAL EDUCATION AND HOSPITALS. SPECIALTIES ARE INDICATED AS FOLLOWS:

S—Surgery.
Ob—Obstetrics.
G—Gynecology.
ObG—Obstetrics and Gynecology.
Or—Orthopedic Surgery.
Pr—Proctology.
Oph—Ophthalmology.
LR—Laryngology, Rhinology.
ALR—Otology, Laryngology, Rhinology.
OALR—Ophthalmology, Otology, Laryngology, Rhinology.
U—Urology.
D—Dermatology.
Pd—Pediatrics.
N—Neurology.
P—Psychiatry.
NP—Neurology and Psychiatry.
I★—Internal Medicine.
T—Tuberculosis.
Anes—Anesthesia
CP—Clinical Pathology.
R—Roentgenology.
Path—Pathology.
Bact—Bacteriology.
PH★—Public Health.

WHEN THE ABBREVIATION DESIGNATING A SPECIALTY IS FOLLOWED BY AN ASTERISK (★) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WTHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.

MEDICAL PRACTICE LAW OF NEW JERSEY

An Act

To Regulate the Practice of Medicine and Surgery, to License Physicians and Surgeons, and to Punish Persons Violating the Provisions Thereof.

Section 1. APPOINTMENT OF BOARD; TERMS: Be it enacted by the senate and general assembly of the state of New Jersey, That the governor shall appoint, by and with the advice and consent of the senate, a board of examiners to be known as the State Board of Medical Examiners, said board to consist of nine members, who shall be persons of recognized professional ability and honor; the terms of office of said board shall be three years, or until their successors are appointed; provided, however, that the members of the board first appointed shall be divided into three classes, each class to consist of three persons; the first class shall hold office under said appointment for one year, the second for two years and the third for three years from the date of their appointment, and thereafter each member shall be appointed for a term of three years; and provided, further, that said board shall consist of five old-school physicians, three homeopathic and one eclectic; said appointees shall, within thirty days after the receipt of the respective commissions, take, subscribe and file in the office of the secretary of state, the oath or affirmation prescribed by law.

Sec. 2. ORGANIZATION: And be it enacted, That said board shall elect a president, a secretary and a treasurer from its membership; it shall have a common seal, and its president shall be empowered to issue subpoenas and to administer oaths in taking testimony in any matter pertaining to the duties of said board; it shall make and adopt all necessary rules, regulations and by-laws not inconsistent with the laws of this state or of the United States, whereby to perform the duties and to transact the business required under the provisions of this Act.

Sec. 3. MEETINGS; REGISTER OF APPLICANTS: And be it enacted, That said board shall hold meetings for examinations at the capitol building of this state on the third Tuesday of June and October of each year, and at such other times and places as the board may deem expedient; said board shall keep an official record of all its meetings and an official register of all applicants for a license to practice medicine and surgery in this state, whether such applicants were licensed or rejected; said register shall show the name, age, nativity, last and intended place of residence, of each candidate, the time he or she has spent in obtaining a competent academic and medical education as hereinafter provided, and the names and location of all medical schools or examining and licensing boards which have granted said applicant any degree or certificate of attendance on lectures on medicine and surgery or state examinations; said register shall also show whether said applicant was licensed or rejected under this Act; if licensed, whether said applicant was examined, or licensed without examination, and said register shall be prima facie evidence of all matters therein contained.

Sec. 4. APPLICATIONS FOR EXAMINATION; QUALIFICATIONS; FEES: All persons hereafter commencing the practice of medicine or surgery in any of its branches in this state shall apply to said board for license so to do. Said board shall, except as herein otherwise provided, examine all qualified applicants for license to practice medicine or surgery in accordance with the provisions of this Act. Every applicant for examination shall present to the secretary of said board, at least ten days before the commencement of the examination at which he or she desires to be examined, a written application for admission to such examination on a form or forms provided by said board, together with satisfactory proof that the applicant is more than 21 years of age and of good moral character. Such applicant shall also present to said board a certificate from the commissioner of education of this state, showing that before entering a medical college he or she had obtained an academic education consisting of a four years' course of study in an approved public or private high school or the equivalent thereof.

A. From and after the first day of July, no persons shall be admitted to examination for license to practice medicine and surgery, unless he shall present to said board a certificate from the commissioner of education of this state showing that in addition to, and subsequent to, obtaining the preliminary and academic education above mentioned and prior to commencing his or her study in a medical college, he or she had completed a satisfactory course of one year in a college or school of art and science approved by the commissioner of education of this state, during which year he or she had studied either French or German, and also chemistry, physics and biology.

B. From and after the first day of October, 1921, no person shall be admitted to examination for license to practice medicine or surgery unless he shall present to said board a certificate from the commissioner of education of this state, showing that in addition to, and subsequent to, obtaining the preliminary and academic education mentioned in the first paragraph of this section and prior to commencing his or her study in a medical college, he or she had completed a satisfactory course of two years in a college or school of art and science approved by the commisisoner of education of this state, during which two years he or she had studied either French or German, and also chemistry, physics and biology.

C. Every applicant for admission to examination for a license to practice medicine or surgery shall, in addition to the above requirements, prove to said board that he has received a diploma conferring the degree of doctor of medicine from some legally incorporated medical college of the United States, which college, in the opinion of said board, was in good standing at the time of the issuance of said diploma, or a diploma or license conferring the full right to practice all of the branches of medicine and surgery in some foreign country, and further prove that prior to the receipt of such diploma from any such medical college of the United States, or such diploma or license conferring the right to practice medicine and surgery, as aforesaid, he had studied medicine not less than four full school years, including four satisfactory courses of lectures of at least seven months each, in four different calendar years in some legally incorporated and registered American or foreign medical college or colleges in good standing in the opinion of said board; after July 1, 1916, such applicant shall, in addition to the above requirements, further prove to said board that after receiving such degree, diploma or license, he has served as intern for at least one year in a hospital approved by such board; provided, however, that candidates for license to practice medicine or surgery who were graduated from an approved medical college prior to July 4, 1903, and have been in continuous and reputable practice of medicine for at least five years since graduation may be admitted to the examination of said board upon the submission of satisfactory evidence of good moral character, and of the fact that such applicant has completed three courses of medical lectures in an approved medical college in different calendar years, and has obtained a competent academic education according to the standard at that time as determined in the case of nongraduates of academic institutions by the commissioner of education of this state; provided, however, that the records of the board and such license shall state that such license was issued to any such applicant under the first exemption contained in this section.

D. Candidates for license to practice medicine or surgery who were graduated from an approved medical college prior to July 4, 1894, and have been in continuous and reputable practice of medicine since graduation, may be admitted to such examination of this board upon the submission of satisfactory evidence of good moral character, and of two courses of medical lectures in an approved medical college in different calendar years, and of the fact that such applicant has obtained a competent academic education according to the standard at that time as determined in the case of nongraduates of academic institutions by the commissioner of education of this state, it being further provided, however, that the records of such board and such license shall state that any such applicant was licensed under the second exemption contained in this section.

E. Upon the approval of the application for examination, such applicant shall deposit with the treasurer of said board the sum of twenty-five dollars ($25) as an examination fee, and shall thereupon be entitled to admission to such examination. In case said applicant fails to pass the examination, he may be reexamined at the next regular examination held by said board without the payment of an additional fee. Each applicant shall sign his or her name opposite a number in a book kept for that purpose by the secretary of said board and shall mark his or her examination paper with said number, and shall be known to the members of said board only by said number until his or her papers have been examined and marked. Any applicant for license to practice medicine or surgery, upon proving to the satisfaction of said board that he is of good moral character, and that he has been examined and licensed by the examining and licensing board of another state of the United States, and that at the time of the granting of such license the standard of requirements for license to practice medicine or surgery in the state where such license was granted was at least substantially equal to the standard of requirements for said licenses in force in this state at the time of said application, and upon filing with the secretary of said board a copy of his license or certificate, verified as a true copy by the affidavit of the secretary of the board granting such license, may, in the discretion of

the said Board of Medical Examiners of this state, be granted a license to practice medicine and surgery without further examination upon the payment to the treasurer of said board of a license fee of fifty dollars ($50). In any such application for a license without examination, all questions of academic requirements of other states shall be determined by the commissioner of education of this state.

Sec. 5. EXAMINATIONS: And be it enacted, That all examinations shall be written in the English language, and the questions and answers shall be, except in materia medica and therapeutics, such as can be answered in common by all schools of practice; if the applicant intends to practice homeopathy or eclecticism, the members of said board of those schools respectively shall examine said applicant in the materia medica and therapeutics of the school in which such applicant intends to practice; the examinations shall be in the following subjects, namely, materia medica and therapeutics; obstetrics and gynecology; practice of medicine, including diseases of the skin, nose and throat; surgery, including surgical anatomy and diseases of the eye, ear and genito-urinary organs; anatomy, physiology, chemistry, histology, pathology, bacteriology, hygiene, medical jurisprudence, and in such other subjects as the board may decide; all examinations shall be both scientific and practical, and of sufficient severity to test the candidate's fitness to practice medicine and surgery; if said examination is satisfactory, the board shall issue a license, entitling the applicant to practice medicine and surgery in this state; the votes of all examiners shall be yes or no, and written with their signatures upon the backs of the examination papers of each candidate; said application and examination papers shall be deposited in the state library, in the capitol building, and they shall be prima facie evidence of all matters therein contained; all licenses shall be signed by the president and secretary of the board, and shall be attested by the seal thereof.

Sec. 6. REFUSAL; REVOCATION: The board may refuse to grant or may revoke a license for the following causes, to wit: Chronic and persistent inebriety, the practice of criminal abortion, conviction of crime involving moral turpitude or for publicly advertising special ability to treat or cure chronic or incurable diseases; or where any person shall present or shall have presented to this board any diploma, license or certificate that shall have been illegally obtained, or that shall have been signed or issued unlawfully or under fraudulent representations, or where a license to practice in this state has been obtained or shall have been obtained through fraud of any kind. Before any license shall be revoked the accused person shall be furnished with a copy of the complaint, and given a hearing before said board in person or by attorney, and any person, after such refusal or revocation of license, who shall attempt or continue the practice of medicine, shall be subject to the penalties hereinafter prescribed.

Sec. 7. LICENSES FILED; FEES; ANNUAL LIST: That the person so receiving said license shall file the same, or a certified copy thereof, with the clerk of the county in which he or she resides, and said clerk shall file said license or certified copy thereof and enter a memorandum thereof, giving the date of said license, with the name and address of the person to whom the same is issued, and the date of said filing, in a book to be approved by this board and to be kept for that purpose, and for which registry the said county clerk shall be entitled to demand and receive from each person registered the sum of one dollar ($1); in case the person so licensed shall move into another county of this state, he or she shall procure from the said clerk a certified copy of such registration and then file the same with the clerk of the county to which he or she shall remove, and the said clerk shall file and enter the same with like effect as if the same was an original license, and for which registry the said clerk shall be entitled to demand and receive the sum of one dollar (1); upon each registry or reregistry, the person registering shall make an affidavit that he is the person described in the license or registration copy; and each county clerk in the counties of this state shall, upon the last day of November of each year, furnish to the secretary of said board a list of all licenses, certified copies of licenses and registration of licenses of this board filed in his office during the previous year, together with any changes or issuances of certificates for the purpose of change to any county to which the licentiate intended to remove, and upon notice to him of the change of location or death of a licentiate, or of the revocation of a license, said county clerk shall enter at the appropriate place in the records so kept by him a memorandum of said fact, and said memorandum shall be furnished by said county clerk to the secretary of this board in the annual report above required.

Sec. 8. PRACTICE OF MEDICINE DEFINED: That any person shall be regarded as practicing medicine or surgery within the meaning of this Act who shall use the words or letters "Dr.," "Doctor," "Professor," "M.D.," or "M.B." in connection with his or her name, or any other title intending to imply or designate him or her as a practitioner of medicine or surgery in any of its branches, and who in connection with such title or titles or without the use of such titles, or any of them, holds himself or herself out as being able to diagnose, treat, operate or prescribe for any human disease, pain, injury, deformity or physical condition, or who shall either offer or undertake by any means or method to diagnose, treat, operate or prescribe for any human disease, pain, injury, deformity or physical condition; and it is further provided, that the provisions of this act shall apply to all persons professing and attempting to cure diseases by means of the so-called systems of "faith-curism," "mind-healing," "laying-on-of-hands" and other similar systems.

Sec. 9. TO WHOM NOT APPLIED: The prohibitory provisions contained in this Act as amended shall not apply to the commissioned surgeons of the United States Army, Navy or Public Health Service while so commissioned or to lawfully qualified physicians or surgeons residing in other states meeting registered physicians and surgeons of this state in consultation, or to any legally qualified physician or surgeon of another state taking charge of the practice of a legally qualified physician or surgeon of this state temporarily during the latter's absence therefrom and upon the written request to said board therefor, or to any physician or surgeon of another state, and duly authorized under the laws thereof to practice medicine and surgery therein; provided, that such practitioner shall not open an office or a place for the practice of his profession within the borders of this state; or to anyone while actually serving as a member of the resident medical staff of any legally incorporated charitable or municipal hospital or asylum; or to the practice of osteopathy as defined in an act entitled "An Act to regulate the practice of osteopathy in the state of New Jersey, and to license osteopathic physicians to practice in this state and punish persons violating the provisions thereof," approved April 2, 1913, or any act supplementary thereto or amendatory thereof, by any person duly licensed to practice osteopathy in accordance with the provisions of the act last mentioned, and any act supplementary thereto or amendatory thereof, or to the practice of dentistry by any legally qualified and registered dentist, or to the ministration to, or treatment of, the sick or suffering by prayer or spiritual means, whether gratuitously or for compensation, and without the use of any drug or material remedy, or to the practice of optometry by any person holding a valid certificate of registration under an act entitled "An Act to regulate the practice of optometry, to license optometrists and to punish persons violating the provisions thereof," approved April 17, 1914, or any act supplementary thereto or amendatory thereof, or to the practice of chiropody by any legally licensed chiropodist, or to any person claiming the right to practice medicine and surgery in this state who has been practicing therein since before the fourth day of July, 1890; provided, said right or title was obtained upon a duly registered diploma, of which the holder and applicant was the lawful possessor, issued by a legally chartered medical institution which, in the opinion of said board, was in good standing at the time said diploma was issued, or to the giving of treatment by electricity by any person resident of this state who has been continuously engaged in giving treatment by electricity herein during the past fourteen years; provided, that said person has graduated from a legally incorporated electro-therapeutic school in good standing, or to the practice of pharmacy by any legally licensed and registered pharmacist of this state, but this exception shall not be extended so as to give said licensed pharmacist the right and authority to carry on the business of a dispensary, unless said dispensary shall be in charge of a legally licensed and registered physician and surgeon of this state; or to the practice of veterinary medicine, surgery or dentistry in any of its branches by any legally licensed and registered veterinary physician, surgeon or dentist of this state, or to any professional nurse, masseur or electrician, while operating in each particular case under the specific direction of a regularly licensed physician or surgeon; or to any person or persons while giving aid, assistance or relief in emergency or accident cases pending the arrival of a regularly licensed physician and surgeon.

Sec. 10. VIOLATION; PENALTIES: And be it enacted, That any person hereafter commencing or continuing the practice of medicine and surgery in any of its branches in this state without first having obtained and filed the license herein provided for or contrary to any of the provisions of this Act, and any person who shall practice medicine or surgery under a false or assumed name, or who shall falsely impersonate another practitioner of a like or different name, or who shall buy, sell or fraudulently obtain any diploma as a doctor of medicine, or any medical license, record or registration, or who shall violate any of the provisions of this Act, shall be liable to a penalty of two hundred dollars ($200), which penalty shall be sued for and recovered by and in the name of the State Board of Medical Examiners of New Jersey. Every district court in any city or judicial district in any county, and every court of common pleas in any county is hereby empowered, upon the filing of a complaint in writing, duly verified, which said verification when made by any member of the said State Board of Medical Examiners of New Jersey, or by any member of any incorporated medical society of this state or of any county of this state, may be made upon information and belief, that any person has violated any provision of this Act to issue process at the suit of the State Board of Medical Examiners of New Jersey as plaintiff; such process shall be either in the nature of a summons or warrant, which warrant may issue without any order of the court or judge first being obtained against the person or persons so charged, which process, when in the nature of a warrant, shall be returnable forthwith, and when in the nature of a summons shall be returnable in not less than five nor more than fifteen entire days; such process shall state what provision of the law is alleged to have been violated by the defendant or defendants, and on the return of such process, or at any time to which the trial shall be adjourned, the said court shall proceed in a summary manner to hear testimony and to determine and give judgment in the matter without the filing of any pleadings for the plaintiff for the recovery of such penalty, with costs, or for the defendant, and the said court shall, if judgment be rendered for the plaintiff, cause any such defendant, who may refuse or neglect to forthwith pay the amount of the judgment rendered against him and all the costs and charges incident thereto, to be committed to the county jail for any period not exceeding one hundred (100) days; that the officers to serve and execute all process under this Act shall be the officers authorized to serve and execute process in said courts; that said district court or court of common pleas shall have power to adjourn

the hearing or trial in any case from time to time, but in such case, except in cases in which the first process was a summons, it shall be the duty of the judge of the district court or the court of common pleas to detain the defendant in safe custody, unless he shall enter into bond to the said State Board of Medical Examiners of New Jersey, with at least one sufficient surety in double the amount of the penalty claimed, conditioned for his appearance on the day to which the hearing shall be adjourned and thence from day to day until the case is disposed of, and then to abide by the judgment of the said court, and such bond, if forfeited, may be prosecuted by the said board.

The convictions in prosecutions under this Act shall be in the following or similar form:

State of New Jersey, } ss.
County of..... }

Be it remembered that on this.....day of....., at....., in said county, C. D., defendant, was by (the District Court of the city of....., or the Court of Common Pleas of the county of ..... or as the case may be) convicted of violating the ..... section of an act entitled, "An act to regulate the practice of medicine and surgery, to license physicians and surgeons, and to punish persons violating the provisions thereof," approved May 22, 1894, in a summary proceeding at the suit of the State Board of Medical Examiners of New Jersey, upon a complaint made by ....., and further, that the witnesses in said proceeding, who testified for the plaintiff, were (name them), and the witnesses who testified for the defendant were (name them).

Wherefore, the said court doth hereby give judgment that the plaintiff recover of the defendant ..... dollars, penalty, and ..... dollars, costs of this proceeding.

The conviction shall be signed by the judge of the District Court or Court of Common Pleas before whom the conviction is had. In case the defendant is committed to jail in default of payment of the penalty, a commitment in the following form shall be added, beneath the judge's signature, to the conviction.

"And the said C. D. neglecting and refusing to pay the amount of the penalty above mentioned, with costs, it is hereby ordered that the said C. D. be and he hereby is committed to the common jail of the county of ..... for the period of ..... days, unless the said penalty and the costs are sooner paid." This commitment shall also be signed by the judge, and in case of commitment of any defendant to jail, the conviction and commitment shall be signed in duplicate, and one of the duplicate copies shall serve the purpose of a warrant of commitment.

In case any person shall, after conviction of any violation of this Act, be again convicted of another violation of this Act or of continuing the violation for which he was previously convicted, he shall be liable to a penalty of five hundred dollars ($500) for each such violation or continuation, to be sued for and recovered in the manner above set forth. In case any defendant against whom judgment has been recovered for a penalty of five hundred dollars ($500) shall fail or neglect to forthwith pay the amount of said penalty, the court shall commit him to jail in the manner above set forth, for any number of days not exceeding two hundred (200) days. Any penalty recovered for any violation of this Act shall be paid to the said board who shall pay one-half thereof to any incorporated medical society procuring the evidence upon which the said defendant was convicted. The other half shall be applied by the said board to the same purposes as other funds of the board collected in accordance with the provisions of this Act. In case any such proceeding is brought in any court of Common Pleas, the trial thereof shall proceed in a summary manner as above set forth, immediately upon the arrest under warrant of the defendant, or on the return day of the summons, or on any day to which the judge of said court shall continue the said trial, either during the term of said court or in vacation. The clerk of any District Court or of any Court of Common Pleas may sign and seal any process required to be issued under this Act, except a warrant of commitment. The costs recoverable in any such proceeding shall be the same as costs taxed in actions in said courts, and shall be recovered by the said board in the event of the conviction of the defendant. Any judgment recovered for a penalty under the provisions of this Act in any District Court may be docketed in the same manner as judgments in said court are docketed under the provisions of an act entitled, "An act concerning District Courts," approved June 14, 1898, and the acts amendatory thereof and supplementary thereto. Execution may issue for the collection of any judgment obtained under this Act against the goods and chattels and body of the defendant without any order first obtained for such purpose.

Sec. 11. And be it enacted, That all acts or parts of acts general or special now existing not in accordance with the provisions of this Act or inconsistent therewith, are hereby repealed.

Approved May 22, 1894.

Amended as to Sections 3, 4 and 9 and approved April 8, 1903.

Amended as to Sections 4 and 6 and approved March 21 and 25, 1912.

Amended as to Sections 3, 4, 6, 7, 8, 9 and 10, and approved April 12, 1915.

Chapter No. 287—Laws of 1915

A supplement to an act entitled "An act to regulate the practice of medicine and surgery, to license physicians and surgeons, and to punish persons violating the provisions thereof," approved May twenty-second, one thousand eight hundred and ninety-four.

Be it enacted by the Senate and General Assembly of the state of New Jersey:

1. Every applicant for admission to examination for license to practice medicine or surgery, who shall prove to the satisfaction of the board that he entered a medical school in good standing in the opinion of said board prior to March 25, 1912, and shall present to said board a certificate from the commisisoner of education of this state, showing that before commencing the second year of his medical education he or she had obtained an academic education, consisting of a four years' course of study in an approved public or private high school or the equivalent thereof, shall be admitted to such examination, nothwithstanding the fact that his preliminary education was not completed within the time provided by the act to which this act is a supplement, if in all other respects he is eligible to such examination under the provisions of the act to which this is a supplement.

2. This act shall take effect immediately.

Approved April 13, 1915.

STATE DEPARTMENT OF HEALTH

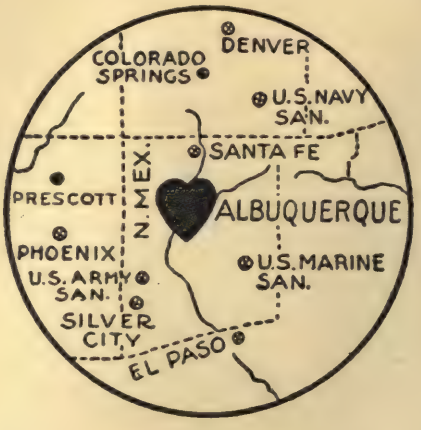
St. Vincent Sanitarium

SANTA FE, NEW MEXICO

A Better Sort of Place in a Mountain Wonderland of Sunshine and Blue Skies

THIS institution has been conducted here for fifty-five years by the Sisters of Charity. Today it is a high-grade modern sanitarium in every sense of the word. Property represents an investment of about a quarter of a million dollars. The latest and best ideas govern its management. The medical service is standardized and efficient.

The great primitive mountain wonderland about Santa Fe is the last unspoiled part left of the Old West. It is now world-famous as a resort for artists and writers, as well as health seekers. The mountain altitude is in itself a remarkable tonic. The pure, dry, germ-free air, never disagreeably hot or cold, and the practically daily sunshine, rich in valuable rays that are lost at lower levels, are most powerful natural healing agents. In this clear air mountains twenty or thirty miles away seem only three or four, and it is often possible with the naked eye to outline the pines that adorn them. We are so high and far from the sea that we have no fogs, mists, or dew.



Above all, there is never any enervating heat. There are no sultry summer nights. Spring, summer and fall are simply and without exaggeration one long springtime. Winter is short, crisp and brilliant. Summer days are always cool in the shade, winter days are always comfortable in the sun. Our location is among the foot-hills of the Rockies, at an elevation of 7,000 feet. Just north rise great ranges of pine covered mountains for another mile in the air, protecting the place from winds and sweeping storms. The splendid water supply, always pure and clear and cold, comes from springs rising in mountain pine forests, and fed by melting snows.

Physicians are invited to write for detailed information.

[illegible] FOSTER, M.D. and ROY H. FERGUSON, M.D., Medical Directors

In the Heart of the WELL COUNTRY

Albuquerque New Mexico

Doctor: You Can Help

Have you patients, friends or acquaintances who need a change of climate? They would be glad to learn about Albuquerque and the "Well Country." The Albuquerque Chamber of Commerce will be more than glad to supply either you or your friends with that information. You can help them and help us by sending for descriptive literature.

Albuquerque has mild, sunny winters and moderate summers. Elevation 5,000 feet; humidity very low. Good freight facilities and agricultural development are responsible for the comparatively low cost of living. Write today to the Albuquerque Chamber of Commerce.

Any of the Albuquerque Sanatoriums will be pleased to correspond with you concerning care of your patients.

St. Joseph Sanatorium for Tuberculosis

A thoroughly modern institution in every detail. Main building with private sleeping porches and baths. Detached cottages. Complete X-Ray and electro-therapeutic department. Roof garden for helio-therapy. Nurses' training school. *Write for particulars.* **DR. LEROY S. PETERS, Medical Director. DR. ARNO KLEIN, Associate Medical Director, Albuquerque, New Mexico.**

Methodist Deaconess Hospital for Tuberculosis

Beautifully situated on the University Heights car line and away from the smoke and dust of the city. Rooms in building with screen porch and with or without private bath. Individual cottages with or without screen porch, bath and toilet. Graduate nurse. *Address* **MRS. MINNIE G. GORRELL, Albuquerque, New Mexico.**

Southwestern Presbyterian Sanatorium

Rooms with private bath. Also detached cottages. Trained nurses day and night. Send for booklet and rates. *Address* **MRS. ELLA BARTLETT, Manager and Head Nurse; REV. HUGH A. COOPER, President Board of Directors, Albuquerque, New Mexico.**

Albuquerque Sanatorium for Tuberculosis

The oldest sanatorium in Albuquerque for the exclusive treatment of tuberculosis. First in America to use helio-therapy; first in the west to use Artificial Pneumothorax. Complete X-Ray, laboratory and other equipment. **DR. A. G SHORTLE, Medical Director, Albuquerque, N. M.**

The Murphey Sanatorium

For the treatment of tuberculosis of the throat and lungs. A private institution where the closest personal attention is given each case, under the direction of experienced medical supervision. All approved therapeutic measures employed. Trained nurses in constant attendance. Fifty rooms—fifteen with private bath, thirty-five with bath connecting every two rooms. Descriptive booklet and full information mailed on request. **DR. CARL MULAY, Medical Director, DR. W. T. MURPHEY, Consultant, Albuquerque, New Mexico.**

MEDICAL PRACTICE LAW OF NEW MEXICO

An Act

To Regulate the Practice of Medicine in New Mexico and to Establish a Board of Health and Medical Examiners.

Be it enacted by the Legislative Assembly of New Mexico:

Section 1. BOARD OF HEALTH; APPOINTMENT; TERMS: That a board is hereby established to be called the New Mexico Board of Health and Medical Examiners, which shall be composed of seven reputable physicans of known ability who are graduates of medical colleges in good standing, as hereinafter defined, and have been registered practitioners in, and bona fide residents of the state of New Mexico for a period of five years next preceding the date of their appointment. The governor of New Mexico shall appoint the members of said board as other territorial officers are appointed, and shall fill any vacancies occurring in said board and may remove any member of said board who fails to perform his duties as hereinafter defined. Three of the members of said board so appointed shall hold their offices for a period of two years and the remaining four members of said board shall hold their offices for a period of four years, and thereafter the members of said board, upon the expiration of the terms aforesaid, shall hold their offices for a period of four years and until their successors are elected and qualified. All members of said board shall qualify as now required of the board of regents of the university of New Mexico.

Sec. 2. MEETINGS; ORGANIZATION: Within sixty days after their appointment, the members of said board shall meet in the capitol building in the city of Santa Fe, New Mexico, and organize by electing one of their members as president, one as vice-president, one as secretary, and one as treasurer, and thereafter regular meetings of said board shall be held in the said capitol building on the second Mondays of January, April, July and October in each year, and there shall be not less than a two days' session at each meeting. Special meetings may be held at any time upon call of the president by written notice to all the members of the board, in which notice the object of the meeting shall be fully stated. A majority of the members shall constitute a quorum for the transaction of business but a less number may meet and adjourn to some fixed date.

Sec. 3. LICENSE WITHOUT EXAMINATION; STANDARD OF SCHOOLS: The said board shall, upon the production of evidence satisfactory to it, license without examination any reputable person who is a graduate of a medical college in good standing as defined in this Act, and who personally appears before the board at a regular meeting. A medical college in good standing for the purposes of this Act, is defined to be one which has a standard as high as that required by the Association of the American Medical Colleges, and which has ample clinical facilities. Said board, at its April meeting in each year, shall prepare and cause to be printed and distributed for the information of those interested, a copy of this law. The board shall not recognize any college which misrepresents its records, its teaching, its clinical facilities, or as to its students or graduates. No college of any foreign country shall be recognized, except to the same extent as such foreign country recognizes American colleges, and when said foreign college is of good standing under the laws of New Mexico. No license shall be granted except by the board at a regular meeting, and every applicant for license shall appear in person before such board. Such board may recognize any honorary or emeritus degree conferred upon any foreigner by any such college as fully and to the same extent as if the applicant were a regular graduate thereof.

Sec. 4. LICENSE; EXAMINATION; RECIPROCITY; FALSE AFFIDAVIT; TEMPORARY LICENSE: Such board shall also license reputable graduates of any reputable college, in good standing, as defined by this Act, who are of good moral and professional character and conduct, and have served an internship in a good hospital, or who have taken a six months' postgraduate course in some institution having ample clinical facilities or who have had three years or more of actual practice since graduation; provided, that all applicants for license of the classes referred to in this section, shall be examined on the following, and such other subjects as the board may from time to time prescribe: anatomy and histology, 10 questions; chemistry, 5 questions; etiology and hygiene, 5 questions; physiology, 5 questions; materia medica, 10 questions; therapeutics, 10 questions; pathology and bacteriology, 5 questions; surgery, 10 questions; physical diagnosis, 10 questions; obstetrics, 10 questions; gynecology, 5 questions; practice of medicine, 10 questions, medical ethics and jurisprudence, 5 questions. An average of 75 per cent must be obtained at such examination by each applicant, and not less than 50 per cent. must be obtained in any one subject; the board shall allow an applicant credit marks of 5 per cent. for each five years of active practice; provided, that such board may grant licenses without examination to those applicants who have been regular licensed physicians in other states and territories, having qualifications and requirements equivalent to those required in New Mexico, when such states and territories reciprocate with New Mexico. The president and secretary of said board are hereby empowered to administer oaths to applicants and all witnesses and others appearing before the board, in any application or proceeding provided for herein. And any person making a false oath or affidavit before such president or secretary in any such proceeding shall be deemed guilty of perjury and be subject to the punishment provided for that crime. Whenever any applicant for license shall have been examined as hereinbefore provided, and shall have failed to reach the required percentage in not more than two of any of the subjects hereinbefore designated, the board may in its discretion allow such applicant another examination on the subjects in which he shall have so failed, at its next regular meeting, and may in its discretion, issue him a temporary license authorizing him to practice medicine in the state of New Mexico until such next meeting and until his second examination shall have been passed upon and decided by such board.

Sec. 5. CERTIFICATE TO BE RECORDED; VIOLATION: Every person holding a certificate of said Board of Health shall have the same recorded in a book provided for that purpose in the office of the county clerk of the county wherein the practitioner resides within thirty days after said certificate is issued, and the date of the recording shall be indorsed on said certificate. Said certificate, or a copy of the registration, must be again recorded in any county to which the practitioner may remove permanently. And the fact that no such certificate shall be found recorded in the county where any person practicing or offering to practice medicine shall be accepted by the courts as prima facie evidence that no such certificate has been issued, and shall throw the burden of proving that he has a certificate upon the defendant in any suit or prosecution begun against him for the violation of the provisions of this Act.

Sec. 6. LICENSE REFUSED; REVOCATION: Said board shall refuse to license any person guilty of immoral, dishonorable or unprofessional conduct, and said board shall also revoke and annul any license which has been issued by said board, or any previous board, upon satisfactory proof being made to the said board that the holder of said certificate or diploma has been guilty of immoral, dishonorable or unprofessional conduct. The code of ethics as adopted by the American Medical Association shall apply to and govern all physicians and surgeons in this territory heretofore licensed, or who shall hereafter be licensed, to practice medicine in New Mexico. Twenty days' notice shall be given in writing to the person accused of improper conduct, with a copy of the charge against him, requiring him on a day named to appear before the board and show cause why his license should not be revoked or cancelled. When any such license has been revoked or cancelled by said board the said board shall send notice in writing under the hand of the secretary, which notice shall be filed for record and recorded in the book in which the physicians' licenses are recorded in the office of the county clerk of the county in which the person whose license has been revoked resides. Any person whose certificate has been revoked or cancelled by said board, under the provisions of this Act, who shall thereafter practice or attempt or offer to practice medicine in New Mexico, shall thereby become guilty of a misdemeanor and shall be punished as provided in Section 9 of this Act.

Sec. 7. PRACTICE OF MEDICINE DEFINED: For the purpose of this act the words "practice of medicine" shall mean to open an office for such purpose or to announce to the public or any individual in any way a desire or willingness or readiness to treat the sick or afflicted, or to investigate or diagnose, or to offer to investigate or diagnose, any physical or mental ailment or disease of any person, or to suggest, recommend, prescribe or direct, for the use of any person, any drug, medicine, appliance or other agency whether material or not material for the cure, relief or palliation of any ailment or disease of the mind or body, or for the cure, or relief, of any wound, fracture or bodily injury or deformity, after having received, or with the intent of receiving therefor, either directly or indirectly, any bonus, gift or compensation; provided, that nothing in this act shall be construed to prohibit gratuitous services in cases of

emergency, or the domestic administration of family remedies, or women from practicing midwifery, and this Act shall not apply to surgeons of the United States in the discharge of their official duties; and provided, further, that nothing in this Act shall be construed so as to interfere with the practice of osteopathy, optometry, or dentistry, as provided for by law.

Sec. 8. FEE: Each applicant for a license to practice medicine in New Mexico shall pay the secretary of this board a fee of $25, at the time of making his application.

Sec. 9. VIOLATION; PENALTY: Any person who shall practice medicine, or who shall attempt to practice, without first complying with the provisions of this law, and without being the holder of a license entitling him to practice medicine in New Mexico, shall be punished by a fine not to exceed $100, or imprisonment in the county jail not to exceed ninety days, or by both such fine and imprisonment in the discretion of the court.

Sec. 10. BOND; REPORTS: The treasurer of said board shall give a bond to the board in the sum of $1,000, conditioned for the faithful performance of his duties as treasurer, and that he shall pay over any and all sums of money received by him as such upon the proper order thereof. Such bond shall be given by some fidelity or surety company authorized to do business in this state and the premiums therefor shall be paid by the board as one of its necessary expenses. All the expenses of the members of said board necessarily and properly incurred in attending the sessions of said board, and for the necessary supplies, shall be paid out of the said funds of said board upon the order of the president, countersigned by the secretary of the said board. The treasurer of the board shall keep a correct and itemized account of all moneys received and disbursed, and shall make a report to the board at each meeting. The secretary of said board is required to report the doings and proceedings of said board together with the amount of all moneys by it received and disbursed and on what account, with items, on the first day of December in each year, to the governor of New Mexico.

Sec. 11. AUTHORITY: Said board is hereby authorized and empowered to make all necessary rules and regulations for carrying out the provisions of this Act.

Sec. 12. REPEAL: An act of the thirty-fifth legislative assembly of New Mexico, approved March 12, 1903, entitled "An Act to Regulate the Practice of Medicine in New Mexico," and for all acts and parts of acts in conflict herewith are hereby repealed and this Act shall be in full force and effect from and after its pasage.

NEW MEXICO BOARD OF HEALTH

Mrs. Adelina Otero-Warren, Chairman, Santa Fe; A. G. Shortle, Albuquerque; Mr. John Tombs, Albuquerque, Secretary.

Executive Office Santa Fe, C. E. Waller, Commissioner Divisions.

MEDICAL PRACTICE LAW OF NEW YORK

An Act

Public Health Law, Laws of 1909, Chapter 49; Chapter 45 of the Consolidated Laws. Became a law February 17, 1909. Article 8, Practice of Medicine. Became a law May 13, 1907. Laws of 1907. As amended to the close of legislation, 1917.

Section 160. DEFINITIONS: Definitions as used in this Act:

1. The Educational Department means the Education Department of the State of New York, as provided for by the Education Law.

2. University means University of the State of New York.

3. Regents means Board of Regents of the University of the State of New York.

4. Board means the Board of Medical Examiners of the State of New York.

5. Medical Examiner means a member of the Board of Medical Examiners of the State of New York.

6. Medical school means any medical school, college, or department of a university, registered by the regents as maintaining a proper medical standard and as legally incorporated.

7 The practice of medicine is defined as follows: A person practices medicine within the meaning of this Act, except as hereinafter stated, who holds himself out as being able to diagnose, treat, operate, or prescribe for any human disease, pain, injury, deformity or physical condition, and who shall either offer or undertake, by any means or method, to diagnose, treat, operate, or prescribe for any human disease, pain, injury, deformity, or physical condition.

8. Physician means a practitioner of medicine.

Sec. 161. QUALIFICATIONS: No person shall practice medicine, unless registered and legally authorized prior to September 1, 1891, or unless licensed by the Regents and registered under Article 8 of Chapter 661 of the law of 1893 and acts amendatory thereto, or unless licensed by the Regents and registered as required by this article; nor shall any person practice under this article who has ever been convicted of a felony by any court, or whose authority to practice is suspended or revoked by the Regents on recommendation of the state board. The conviction of a felony shall include the conviction of any offense which if committed within the state of New York would constitute a felony under the laws thereof. If a person convicted of a felony is subsequently pardoned by the governor of the state where such conviction was had, or by the President of the United States, the Regents may, in their discretion, on application of such person, and on the submission to them of satisfactory evidence, restore to such person the right to practice medicine in this state, unless such conviction has been for misconduct in his professional capacity.

Sec. 162. STATE BOARD OF MEDICAL EXAMINERS: The State Board of Medical Examiners is continued. The members of said board now in office shall continue in office until the expiration of their respective terms. Said board shall consist of nine members who shall be appointed by the Regents and who shall hold office for three years from August 1st of the year in which appointed. The Regents shall annually appoint three members to fill the vacancies caused by expiration of term of office, and may at any time fill vacancies on the board caused by death, resignation, or removal from office.

No person shall be appointed a member of the Board of Medical Examiners who is not eligible to receive a license to practice from the Regents in accordance with the provisions of this Act or of Chapter 661 of the laws of 1893 and acts amendatory thereof and who has not been in practice in this state for at least five years prior to date of appointment. The Regents may remove any member of the Board of Examiners for misconduct, incapacity or neglect of duty. The Regents shall appoint a secretary to the Board of Examiners, who shall not be a member of the board, and who shall hold office during the pleasure of the Regents and who shall receive an annual compensation of $4,000, payable from the fees received under this article. The secretary shall be a duly licensed physician.

Sec. 163. CERTIFICATE OF APPOINTMENT; OATH; POWERS: Every medical examiner shall receive a certificate of appointment from the Regents and before beginning his term of office shall file with the secretary of state the constitutional oath of office. The board, or any committee thereof, may employ counsel, shall have the power to compel the attendance of witnesses, and may take testimony and proofs concerning all matters within its jurisdiction. The board may, subject to the Regents' approval, make all by-laws and rules not inconsistent with law needed in performing its duty; but no by-law or rule by which more than a majority vote is required for any specified action by the board shall be amended, suspended or repealed by a smaller vote than that required for action thereunder.

Sec. 164. EXPENSES: The fees derived from the operation of this article shall be paid into the State treasury, and the Legislature shall annually appropriate therefrom for the Education Department an amount sufficient to pay all proper expenses incurred pursuant to this article.

Sec. 165. OFFICERS; MEETINGS; QUORUM; COMMITTEES: The board shall annually elect from its members a president and a vice president for the academic year, and shall hold one or more meetings each year pursuant to the call of the Regents. At any meeting a majority shall constitute a quorum; but questions prepared by the board may be grouped and edited, or answer papers of candidates may be examined and marked by committees duly authorized by the board and approved by the Regents.

Sec. 166. ADMISSION TO EXAMINATION: The Regents shall admit to examination any candidate who pays a fee of $25 and sumits evidence, verified by oath, and satisfactory to the Regents, that he

1. Is more than twenty-one years of age.

2. Is of good moral character.

3. Had prior to beginning the first year of medical study the general education required by the rules of the Regents preliminary to receiving the degree of bachelor or doctor of medicine in this state.

4. Has studied medicine not less than four school years, including four satisfactory courses of at least seven months each, in four different calendar years in a medical school registered as maintaining at the time a standard satisfactory to the Regents. New York medical schools and New York medical students shall not be discriminated against by the registration of any medical school out of the state whose minimum graduation standard is less than that fixed by statutes for New York medical schools. The Regents may, in their discretion, accept as the equivalent for any part of the third and fourth requirements, evidence of five or more years' reputable practice, provided that such substitution be specified in the license, and, as the equivalent of the first year of the fourth requirement, evidence of graduation from a registered college course, provided that such college course shall have included not less than the minimum requirements prescribed by the Regents for such admission to advanced standing. The Regents may also in their discretion admit conditionally to the examination in anatomy, physiology, hygiene, sanitation and chemistry, applicants nineteen years of age certified as having studied medicine not less than two years, including two satisfactory courses of at least seven months each, in two different calendar years, in a medical school registered as maintaining at the time a satisfactory standard, provided that such applicants meet the second and third requirements.

5. Has either received the degree of bachelor or doctor of medicine from some registered medical school, or a diploma or license conferring full right to practice medicine in some foreign country unless admitted conditionally to the examinations as specified above, in which case all qualifications, including the full period of study, the medical degree and the final examinations in surgery, obstetrics, gynecology pathology, including bacteriology, and diagnosis must be met. The degree of bachelor or doctor of medicine shall not be conferred in this state before the candidate has filed with the institution conferring it the certificate of the Regents that before beginning the first annual medical course counted toward the degree he had earned a medical student qualifying certificate in accordance with the rules of the Regents, the minimum requirements for which, for matriculates after January 1, 1917, shall be the successful completion of an approved four year high school course or its equivalent.

6. Where the application be for a license to practice osteopathy, the applicant shall produce evidence that he has studied osteopathy not less that three years including three satisfactory courses of not less than nine months each in three different calendar years in a college of osteopathy maintaining at the time a standard satisfactory to the Regents. After 1910 the applicant for a license to practice under this article shall produce evidence that he has studied not less than four years including four satisfactory courses of not less than seven months each in four different calendar years in a college maintaining at the time a standard satisfactory to the Regents.

Sec. 167. QUESTIONS: The board shall submit to the Regents, as required, lists of suitable questions for thorough examination in anatomy, physiology, hygiene, sanitation, chemistry, surgery, obstetrics, gynecology, pathology, including bacteriology, and diagnosis. From these lists the Regents shall prepare question papers for all these subjects, which at any examination shall be the same for all candidates, except that the examination may be divided as provided in Section 166.

Sec. 168. EXAMINATIONS AND REPORTS: Examination for licenses shall be

given in at least four convenient places in this state and at least four times anually, in accordance with the Regents' rules, and shall be exclusive in writing and in English. Each examination shall be conducted by a Regents' examiner who shall not be one of the medical examiners. At the close of each examination the Regents' examiner in charge shall deliver the question and answer papers to the board or its duly authorized committee, who without unnecessary delay, shall examine and mark the answers and transmit to the Regents an official report signed by its president and secretary, stating the standing of each candidate in each branch, his general average and whether the board recommends that a license be granted. Such report shall include the questions and answers and shall be filed in the public records of the University. If a candidate fails on first examination, he may, after not less than six months' further study, have a second examination without fee. If the failure is from illness or other cause satisfactory to the Regents, they may waive the required six months' study.

Sec. 169. LICENSES: On receiving from the state board an official report that an applicant has successfully passed the examinations and is recommended for license, the Regents shall issue to him a license to practice according to the qualifications of the applicant. Every license shall be issued by the University under seal and shall be signed by each acting medical examiner and by the officer of the University who approved the credential which admitted the candidate to examination, and shall state that the license has given satisfactory evidence of fitness as to age, character, preliminary and medical education and all other matters required by law, and that after full examination he has been found properly qualified to practice.

Applicants examined and licensed by other state examining boards registered by the Regents as maintaining standards not lower than those provided by this article and applicants who matriculated in a New York state medical school before June 5, 1890, and who received the degree of doctor of medicine from a registered medical school before August 1, 1895, may without further examination, on payment of $25 to the Regents and on submiting such evidence as they may require, receive from them an endorsement of their license or diplomas conferring all rights and privileges of a Regents' license issued after examination. The Commissioner of Education may in his discretion on the approval of the Board of Regents indorse a license or diploma of a physicians from another state, provided the applicant has met all the preliminary and professional qualifications required for earning a license on examination in this state, has been in reputable practice for a period of ten years, and has reached a position of conceded eminence and authority in his profession. Any physician who was actually engaged in the practice of medicine in this state prior to Sept. 1, 1891, and who failed to register, although eligible to do so at the time, or any physician whose registration is not legal because of some error, misunderstanding or unintentional omission may on unanimous recommendation of the State Board of Medical Examiners that he has submitted satisfactory proof of having complied with all the requirements prescribed by law at the time of his failure to register, or his incomplete registration, receive from the Regents under seal a certificate of the facts, which may be registered by any county clerk and shall make valid his registration. Before any license is issued it shall be numbered and recorded in a book kept in the Regents' office, and its number shall be noted in the license; and a photograph of the license filed with the records. This record shall be open to public inspection, and in all legal proceedings shall have the same weight as evidence that is given to a record of conveyance of land.

Sec. 170. REGISTRY; REVOCATION OF LICENSE; ANNULMENT OF REGISTRY: Every license to practice medicine shall, before the licensee begins practice thereunder, be registered in a book kept in the clerk's office of the county where such practice is to be carried on, with name, residence, place and date of birth, and source, number and date of his license to practice. Before registering each licensee shall file, to be kept in a bound volume in a county clerk's office, an affidavit of the above facts, and also that he is the person named in such license, and had, before receiving the same complied with all requirements as to attendance, terms and amount of study and examination required by law and the rules of the University as preliminary to the conferment thereof; that no money was paid for such license except the regular fees paid by all applicants therefor; that no fraud, misrepresentation, or mistake in any material regard was employed by anyone or occurred in order that such license should be conferred. Every license, or if lost, a copy thereof legally certified so as to be admissible as evidence, or a duly attested transcript of the record of its conferment shall, before registering, be exhibited to the county clerk, who, only in case it was issued or indorsed as a license under seal by the Regents, shall indorse or stamp on it the date and his name, preceded by the words: "Registered as authority to practice medicine in the clerk's office of ——— county." The clerk shall thereupon give to every physician so registered a transcript of the entries in the register with a certificate under seal that he has filed the prescribed affidavit. The licensee shall pay to the county clerk a total fee of $1.00 for registration, affidavit and certificate.

Regents shall have power at any and all times to inquire into the identity of any person claiming to be a licensed or registered physician and after due service of notice in writing, require him to make reasonable proof, satisfactory to them, that he is the person licensed to practice medicine under the license by virtue of which he claims the privilege of this article. When the Regents find that a person claiming to be a physician, licensed under this Act, is not in fact the person to whom the license was issued, they shall reduce their findings to writing and file them in the office of the clerk of the county in which said person resides or practices medicine. Said certificate shall be prima facia evidence that the person mentioned therein is falsely impersonating a practitioner or a former practitioner of a like or different name. The Regents may revoke the license of a practitioner of medicine, or annul his registration, or do both, in any of the following cases:

(a) A practitioner of medicine who is guilty of any fraud or deceit in his practice, or who is guilty of a crime or misdemeanor, or who is guilty of any fraud or deceit by which he was admitted to practice; or

(b) Is an habitual drunkard or habitually addicted to the use of morphin, opium, cocain, or other drugs having a similar effect; or

(c) Who undertakes or engages in any manner or by any ways or means whatsoever, to procure or perform any criminal abortion as the same is defined by Section 80 of the penal law; or

(d) Who offers or undertakes by any manner or means to violate any of the provisions of Section 1142 of the penal law.

Proceedings for revocation of a license or the annulment of registration shall be begun by filing a written charge or charges against the accused. These charges may be preferred by any person or corporation, or the Regents may on their own motion direct the executive officer of the Board of Regents to prefer said charges. Said charges shall be filed with the executive officer of the Board of Regents, and a copy thereof filed with the secretary of the Board of Medical Examiners. The Board of Medical Examiners, when charges are preferred, shall designate three of their number as a committee to hear and determine said charges. A time and place for the hearing of said charges shall be fixed by the said committee as soon as convenient, and a copy of the charges, together with a notice of the time and place when they will be heard and determined, shall be served upon the accused or his counsel, at least ten days before the date actually fixed for said hearing. Where personal service or service upon counsel cannot be effected, and such fact is certified under oath by any person duly authorized to make legal service, the Regents shall cause to be published for at least seven times, for at least twenty days prior to the hearing, in two daily papers in the county in which the physician was last known to practice, a notice to the effect that at a definite time and place a hearing will be had for the purpose of hearing charges against the physician upon an application to revoke his license. At said hearing the accused shall have the right to cross-examine the witnesses against him and to produce witneses in his defense, and to appear personally or by counsel. The said committee shall make a written report of its findings and recommendations, to be signed by all its members, and the same shall be forthwith transmitted to the executive officer of the Board of Regents.

If the said committee shall unanimously find that said charges, or any of them, are sustained, and shall unanimously recommend that the license of the accused be revoked or his registration be annulled, the Regents may thereupon, in their discretion, revoke said license or annul said registration or both. If the Regents shall annul such registration, they shall forthwith transmit to the clerk of the county or counties in which said accused is registered as a physician, a certificate under their seal certifying that such registration has been annulled, and said clerk shall, upon receipt of said certificate, file the same and forthwith mark said registration "Annulled." Any person who shall practice medicine after his registration has been marked "Annulled" shall be deemed to have practiced medicine without registration. Where the license of any person has been revoked, or his registration has been annuled as herein provided, the Regents may, after the expiration of one year, entertain an application for a new license, in like manner as original applications for licenses are entertained; and upon such new application they may in their discretion exempt the applicant from the necessity of undergoing any examination.

Sec. 171. REGISTRY IN ANOTHER COUNTY: A practicing physician having registered a lawful authority to practice medicine in one county, and removing such practice or part thereof to another county, or regularly engaged in practicing or opening an office in another county, or shall have his office, practice or any part thereof removed from one county to another by an act of Legislature creating a new county from a then existing county, thereby causing his office or practice to be situated in a new county, shall show or send by registered mail to the clerk of such other or new county his certificate of registration. If such certificate clearly shows that the original registration was of an authority issued under seal by the Regents, or if the certificate itself is indorsed by the Regent as entitled to registration, the clerk shall thereupon register the applicant in the latter or new county, on receipt of a fee of 25 cents, and shall stamp or indorse on such certificate the date and his name preceeded by the words: "Registered also in ——— county," and return the certificate to the applicant.

Sec. 172. CERTIFICATE PRESUMPTIVE EVIDENCE; UNAUTHORIZED REGISTRATION AND LICENSE PROHIBITED: Every unrevoked certificate and indorsement of registry, made as provided in this article, shall be presumptive evidence in all courts and places that the person named therein is legally registered. Hereafter no person shall register any authority to practice medicine unless it has been issued or indorsed as a license by the Regents. No such registration shall be void unless the authority registered constituted at the time of registration a license under the laws of the state then in force. No diploma or license conferred on a person not actually in attendance at the lectures, instruction and examinations of the school conferring the same, or not possesed at the time of its confer-

ment, of the requirements then demanded of medical students in this state as a condition of their being licensed so to practice, and no registration not in acordance with this article shall be lawful authority to practice medicine, nor shall the degree of doctor of medicine be conferred causa honoris or ad eundem, nor if previously conferred, shall it be a qualification for such practice.

Sec. 173. CONSTRUCTION OF THIS ARTICLE: The article shall not be construed to affect commissioned medical officers serving in the United States Army, Navy or Public Health Service while so commissioned; or anyone while actually serving without salary or professional fees on the resident medical staff of any legally incorporated hospital; or any legally registered dentist exclusively engaged in practicing dentistry; or any person or manufacturer who mechanically fits and sells lenses, artificial eyes, limbs, or other apparatus or appliances, or is engaged in the mechanical examination of eyes, for the purpose of constructing or adjusting spectacles, eye glasses and lenses; or any lawfully qualified physician in other states or countries meeting legally registered physicians in this state in consultation; or any physician residing on a border of a neighboring state and duly licensed under the laws thereof to practice medicine therein, whose practice extends into this state, and who does not open an office or appoint a place to meet patients or receive calls within this state; or any physician duly registered in one county called to attend isolated cases in another county, but not residing or habitually practicing therein; or the furnishing of medical assistance in case of emergency; or the domestic administration of family remedies; or the practice of chiropody; or the practice of religious tenets of any church.

This article shall be construed to repeal all acts or parts of acts authorizing conferment of any degree in medicine causa honoris or ad eundem or otherwise than on students duly graduated after satisfactory completion of a preliminary medical course not less than that required by this article as a condition of license. It is further provided that any person who shall be actively engaged in the practice of osteopathy in the state of New York on the 13th day of May, 1907, and who shall present to the Board of Regents satisfactory evidence that he is a graduate in good standing of a regularly conducted school or college of osteopathy within the United States which at the time of his or her graduation required a course of study of two years or longer, including the subjects of anatomy, physiology, pathology, hygiene, chemistry, obstetrics, diagnosis and the theory and practice of osteopathy, with actual attendance of not less than twenty months, which fact shall be shown by his or her diploma or affidavit, shall upon application and payment of $10 be granted, without examination, a license to practice osteopathy, provided application for such license be made within six months after the 13th day of May, 1907. A license to practice osteopathy shall not permit the holder thereof to administer drugs or perform surgery with the use of instruments. Licenses to practice osteopathy shall be registered in accordance with the provisions of this article, and the word osteopath be included in such registration; and such license shall entitle the holder thereof to the use of the degree D.O., or doctor of osteopathy.

Sec. 174. PENALTIES AND THEIR COLLECTION: Any person who, not being then lawfully authorized to practice medicine within this state and so registered according to law, shall practice medicine within this state without lawful registration or in violation of any provision of this article; and any person who shall buy, sell, or fraudulently obtain any medical diploma, license, record, or registration, or who shall aid or abet such buying, selling, or fraudulently obtaining, or who shall practice medicine under cover of any medical diploma, license, record, or registration illegally obtained, or signed, or issued unlawfully or under fraudulent representations, or mistake of fact in a material regard, or who, after conviction of a felony shall attempt to practice medicine, or shall so practice, and any person who shall in connection with his name use any designation tending to imply or designate him as a practitioner of medicine within the meaning of this article without having registered in accordance therewith, or any person who shall practice medicine or advertise to practice medicine under a name other than his own, or any person not a registered physician who shall advertise to practice medicine, shall be guilty of a misdemeanor. Any person who shall practice medicine under a false or assumed name, or who shall falsely personate another practitioner or former practitioner of a like or different name, shall be guilty of a felony. When any prosecution under this article, or under Sections 80, 81, 82, 1142 and 1747 of the penal law, and any amendments thereto, is made on the complaint of any incorporated medical society of the state, or any county medical society entitled to representation in a state society, any fines collected shall be paid to the society making the complaint, and any excess of the amount of fines so paid over the expense incurred by the said society in enforcing the medical laws of this state, shall be paid at the end of the year to the county treasurer.

STATE DEPARTMENT OF HEALTH

Hermann M. Biggs, Commissioner, New York; Matthias, Nicoll, Jr., Albany; F. D. Beagle, Executive Clerk, Albany.

John A. Smith, Secretary, Albany.

Divisions:

Sanitary Engineering—Theodore Horton, Director.

STATE INSTITUTIONS

Albion

Western House of Refuge for Women, Albion, N. Y. Established 1892; 250 beds; 15 beds in hospital; Mrs. Flora P. Daniels, superintendent.

Auburn

Auburn State Prison Hospital, 135 State St., Auburn, N. Y. Established 1840; general; 50 beds; Frank L. Heacox, medical superintendent.

Women's Prison Hospital, 85 Wall St., Auburn, N. Y. Established 1893; public; general; 20 beds; Frank L. Heacox, medical superintendent.

Batavia

New York State School for the Blind, Batavia, N. Y. Established 1865; general; 180 beds; J. W. LeSeur, physician; Mr. C. A. Hamilton, superintendent.

Bath

New York State Soldiers and Sailors' Hospital, Bath, N. Y. Established 1879; general; 459 beds; Col. John C. F. Tillson, superintendent.

Beacon

Matteawan, State Hospital, Beacon, N. Y. Established 1855; for the criminal insane; 800 beds; R. F. C. Kieb, superintendent.

Binghamton

Binghamton State Hospital, State Hospital Hill, Binghamton, N. Y. Established 1881; public; for the insane; 2,800 beds; outpatient department; Charles G. Wagner, medical superintendent.

Brooklyn

Brooklyn State Hospital, Clarkson and Albany Aves., Brooklyn. Established 1858; for mental cases; 1225 beds; Isham G. Harris, medical superintendent.

Buffalo

Buffalo State Hospital, 400 Forest Ave., Buffalo. Established 1880; for the insane; 2,057 beds; Frederick W. Parsons, medical superintendent.

Central Islip

Central Islip State Hospital, Central Islip, N. Y. Established 1896; public; for the insane; 5,180 beds; outpatient department; George A. Smith, medical superintendent.

Collins

Gowanda State Homeopathic Hospital, Collins, N. Y. Established 1898; public; for the insane; 1,316 beds; C. A. Potter, superintendent.

Dannemora

Clinton Prison, General and Tuberculosis Hospital, Dannemora, N. Y. Established 1845; general and tuberculosis; 350 beds; J. B. Ransom, physician in charge.

Dannemora State Hospital, Dannemora, N. Y. Established 1899; for the criminal insane; 550 beds; John J. Ross, medical superintendent.

Elmira

New York State Reformatory, Elmira, N. Y. Established 1876; general; 1,460 beds; Frank L. Christian, superintendent.

Hudson

New York State Training School for Girls, Hudson, N. Y. Established 1904; general; for destitute, delinquent and neglected girls; 366 beds in institution, 39 beds in hospital; Hortense V. Bruce, medical superintendent.

Industry

State Agricultural and Industrial School, Industry, N. Y. Established 1846; public; general; for boys; 750 beds; 26 beds in hospital department; John F. McAmmond (Scottsville), physician in charge.

Iroquois

Thomas Indian School, Cattaraugus Indian Reservation, Iroquois, N. Y. Established 1855; general; 200 beds; Miss Emily P. Lincoln, superintendent.

Kings Park

Kings Park State Hospital, Kings Park, N. Y. Established 1896; public; for the insane; 4,500 beds; outpatient department; Wm. C. Garvin, superintendent.

Malone

Northern New York Institution for Deaf Mutes, Malone, N. Y. Established 1884; 8 beds; Mr. Edward C. Rider, superintendent.

Middletown

Middletown State Homeopathic Hospital, Monhagen Ave., Middletown, N. Y. Established 1874; for the insane; public; 2,238 beds; Maurice C. Ashley, medical superintendent.

Napanoch

Eastern New York Reformatory, Napanoch, N. Y. Established 1900; general; 10 beds in hospital department; Walter N. Thayer, assistant superintendent.

Newark

Newark State School for Mental Defectives, Newark, N. Y. Established 1878; 1,000 beds; Ethan A. Nevin, superintendent.

New York

Manhattan State Hospital, Ward's Island, New York. Established 1896; for the insane; 5,580 beds; Marcus B. Heyman, medical superintendent.

New York House of Refuge, Randall's Island, New York. Established 1824; reformatory for boys; 1,000 beds; Wm. G. Eynon, attending physician; Mr. E. C. Barber, superintendent.

New York Institute for the Education of the Blind, 9th Ave., New York. Established 1831; private; educational only; 200 beds; Mr. Edward M. Van Cleve, superintendent.

New York Institution for the Instruction of the Deaf and Dumb, 99 Ft. Washington Ave., New York. Established 1817; 550 beds; 100 beds in hospital department; E. H. Rogers, attending physician; Mr. Isaac B. Gardner, principal.

Ogdensburg

St. Lawrence State Hospital, Ogdensburg, N. Y. Established 1890; public; for the insane; 2,263 beds; outpatient department; Paul G. Taddiken, superintendent.

Ossining

Sing Sing Prison Hospital, 354 Hunter St., Ossining, N. Y. Established 1825; general; 75 beds; Amos Squires, physician in charge.

Oxford

New York State Women's Relief Corps Home, Oxford, N. Y. Established 1894; for the care of aged dependent veterans, their wives, widows and mothers, and army nurses; 220 beds in barracks, 147 beds in hospital; Col. J. S. Graham, superintendent.

Poughkeepsie

Hudson River State Hospital, Poughkeepsie, N. Y. Established 1871; public; mental; 2,850 beds; outpatient department; Walter G. Ryon, medical superintendent.

Ray Brook

New York State Hospital, Ray Brook, N. Y. Established 1900; tuberculosis; 320 beds; Harry A. Bray, superintendent.

Rochester

Rochester State Hospital, South Ave., Rochester, N. Y. Established 1890; public; for the insane; 1,621 beds; outpatient department; Eugene H. Howard, superintendent.

Western New York Institution for Deaf Mutes, 1545 St. Paul St., Rochester, N. Y. Established 1876. 14 beds; Mr. Z. F. Westervelt, superintendent.

Rome
